

Christian Service Opportunities 2010-2011

Christian service fulfills the corporal works of mercy: feed the hungry, give drink to the thirsty, clothe the naked, shelter the homeless, visit the sick, visit those in prison, and bury the dead. (Matthew 25:34)

Some events have a maximum number of hours that may count toward the semester course. Students are encouraged to serve in a variety of events/organizations. However all hours may be turned in and those over the maximum will be recorded. The hours appear on the student's transcript and count toward application for the service cord. 210 hours are required for application for the service cord award presented at graduation. This document is a work in progress. It does not address every conceivable opportunity available to the students of DCHS. Service opportunities not addressed here will be evaluated on a case-by-case basis by the Theology Department.

Organization	Address	Phone Number	Contact	Hours Maximum
Agape Pregnancy Center	2550 MLK Pkwy	255-0243		
Beacon of Life		244-4713	Ruth Hardin
